## Why Columbia?

-  Global brand rooted in unlocking the outdoors for everyone
-  Innovative technologies built to protect, perform, and endure
-  Thoughtful design for premium co-branding applications

With **co-branding** opportunities that showcase your logo alongside Columbia's trusted name, each piece enhances brand presence. These products deliver cutting-edge performance trusted by outdoor enthusiasts worldwide—dependable qualities brands rely on when they need gear built to perform.

**Omni-Heat™ Reflective**

Original thermal-reflective technology with tiny silver dots that help reflect and retain body heat for instant and enhanced warmth.

**Omni-Shade™**

Core sun protection technology with modified fibers and tight fabric construction to block harmful UVA and UVB rays.

**Omni-Wick™**

Enhanced wicking built for staying dry and comfortable while active outdoors by dispersing moisture for quick-drying comfort.

**Omni-Tech™**

Waterproof-breathable technology with multilayer construction built to keep the elements out while releasing excess heat and moisture.

**Omni-Shield™**

Water-and-stain-repellent technology that prevents liquids from absorbing into the yarns unlike conventional fabrics which can absorb moisture and potential stains.

**HeatSeal™**

Unique thermal bonding construction keeps warmth in and cold out with stitch-free chambers that help prevent wind and water penetration.

A photograph of two men in a distillery. The man on the left is smiling with his arms crossed, wearing a dark polo shirt and a dark apron. The man on the right is clapping his hands, wearing a plaid shirt and a dark apron. They are surrounded by wooden barrels on metal racks. The background is a rustic, industrial setting with concrete walls and wooden beams.

## How to Style Resort & Gift

Relaxed comfort meets resort-ready performance. This matching set delivers lightweight style that's perfect for resort staff, spa boutiques, or destination gift shops. **The water- and stain-repellent fabric** keeps wearers looking fresh through long shifts or sunny strolls by the shore. Layered over a **moisture-wicking UPF** tee, it offers breathable protection from heat and sun while maintaining an on-trend coordinated look that's perfect for co-branding.

## How to Style Restaurants & Hospitality

Casual comfort with a hardworking edge. This buffalo print flannel brings a rugged yet refined edge to restaurant and brewery uniforms. Its soft, durable fabric delivers style and comfort for staff on the move, while a fleece vest can be added for extra warmth during cooler shifts or outdoor service. Finished with a utility apron, this layered look combines function, durability, and casual style—ideal co-branding for front-of-house teams or retail sales in the restaurant shop.
